## REACHING AND TEACHING FOR EXCELLENCE

AL HARPER  
Superintendent of Schools

May 10, 2018

Dear Parents/Guardians,

Oscar Wilde stated, "You can never be overdressed or over educated." Over the last several years, many parents have asked the Board of Education to consider the implementation of school uniforms. In response, the District conducted a survey in September 2017 to obtain parental input. The response to our inquiry was overwhelmingly positive. Our Board of Education, staff, and parents believe that when students wear school uniforms they have an increased sense of community and pride in their schools. Many parents believe that wearing a school uniform fosters a productive learning environment and a focus on academics. Others stated that wearing school uniforms provides a cost effective alternative to purchasing school clothing. While purchasing and wearing a school uniform IS NOT MANDATORY, we hope that our parents and students will support this initiative.

The Elmont Union Free School District looks forward to implementing a school uniform policy in September 2018. We are excited and hope you will be too. We will conduct morning and evening informational sessions on **May 29 at Covert Avenue School** and **June 4 at Dutch Broadway School**. Please choose either time that is convenient for you.
